Honorable Denise Harper Angel
Jefferson County Property Valuation Administrator
Jefferson County Fiscal Court Building
Louisville, Kentucky 40202

We have performed the procedures enumerated below, which were agreed to by the Jefferson County Property Valuation Administrator, solely to assist you with the accountability for statutory contribution receipts and disbursements, including capital outlay disbursements, city government receipts, recordkeeping, a sample of disbursements, and leases and contracts for the fiscal year ended June 30, 2000. This engagement to apply agreed-upon procedures was performed in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of the procedures is solely the responsibility of the Jefferson County Property Valuation Administrator. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

Our procedures and findings are as follows:

1. Procedure -

Compare the budgeted statutory contribution of fiscal court to the legally required amounts calculated by the Revenue Cabinet. Trace the fiscal court payments from the fiscal court statutory contribution budget account to the Property Valuation Administrator's local bank account.

Finding -

The fiscal court budgeted the appropriate statutory contribution required by the Revenue Cabinet and made payments to the Property Valuation Administrator. The Property Valuation Administrator deposited the statutory contribution payments to the local official bank account.

Client Response -

Selected disbursements had proper supporting documentation and all were for official business purposes.

6. Procedure -

Scan vehicle lease agreements, personal service contracts, and professional service contracts for cost schedules and compare to actual payments. Determine if services received were appropriate, for official business, and properly authorized.

Finding -

We found payments for professional service contracts were made in accordance with the applicable agreements. The services were appropriate, for official business, and properly authorized. There were no vehicle leases or personal service contracts.

Client Response -
